

## **CATERING**

We are happy to provide catering services to any type of event or party. Los Robles Cafe offers a taco bar set up for our catering service. We also have a variety of combinations we offer for a different price points.

All our services include chips, red and green salsa, onions, cilantro, radishes, plasticware, napkins and plates. Our base price would include Al pastor tacos with our cooked onion and pineapple. Since we offer Al pastor on a vertical broiler that is our go to option. Our price varies on the options that one chooses but the base price for Al pastor that includes the above is \$17 per person.

We also have a minimum of 60 people for an event. We like to stay close to town, but are available for out of town events for additional charge of \$100. Our out of town events cannot be more than 35 miles from Paso Robles. Anything within 10 mile radius of Paso Robles is not subject to the additional charge. We also offer carne asada (beef) and chicken tacos as well as rice and beans. We have a variety of different price points. Each of our options comes with all you can eat while we are at the event. No limit on how many tacos one can eat so come prepared!

Our base price is 17 per person and each additional meat or rice and beans is \$1 per person. Our catering service is a taco bar type of set up where each guest would come up and order their food. We serve for 2 hours, but arrive at the location one hour prior to serve time for a total of 3 hours. We do apologize in advance for any availability issues that may occur since we are primarily a restaurant and cafe we try our best to do most catering events but are subject to low staff. Our summer months are our busiest time of year so we are booked early. To secure a date we will need a non-refundable \$200 deposit on date one would like. We also need two week notice for all catering events. A deposit is not required but is encouraged especially during our busy summer months. Payment in full will be on day of service.
